

Eminent Domain

Parr Brown handles eminent domain law and condemnation matters, representing both condemning authorities and landowners in a wide variety of matters including the taking of unimproved, improved, and commercial property as well as projects involving roads, common carrier pipelines, fiber optic cables, utilities, and railroads. We offer legal counsel relative to land use and land valuation issues with the help of our Utah attorneys.

Our eminent domain attorneys are highly qualified litigators on eminent domain issues, having represented many clients in jury and bench trials. The firm is currently handling approximately 10 cases, including one of the largest eminent domain cases money wise ever filed in the State of Utah.
