

Title Insurance and Coverage Issues

Parr Brown's title insurance lawyers have successfully represented a variety of major underwriters, agencies, and insureds in real estate transactions of all kinds. Since title insurance is required in most real estate sales, having a dedicated title insurance attorney representing your interests helps protect you from potentially disastrous claims and coverage issues. Parr Brown's title insurance attorneys have amassed significant legal expertise in various title insurance coverage matters throughout the nation, and work closely with some of Utah's leading title agents and underwriters to best serve you. For more information, contact any of the attorneys shown below today.
